

Why should you consider Heron Foods as an employer?

About

Heron Foods Ltd. is an English retail chain founded in 1979 and based in Melton with approximately 300 stores. It primarily sells frozen food, but has a wide range of ambient and chilled stock with named brands including Muller, Birds Eye and McCain Foods, as well as several lines using the Heron Foods brand

How to Apply

Apply online at
<https://heronfoods.livevacancies.co.uk>

Application Process

- You can apply for all Heron Foods jobs on the website. Select the 'Apply Now' option for a vacancy you are interested and fill in the pre-application form of 8 basic questions, e.g. name, email address. Once you have completed this form attach your CV to continue with the application.
- For all submitted applications automated decision-making is being used on the initial pre-application questions to determine if you meet the minimum requirements of the vacancy.
- If there are no jobs in your area or that are of interest to you, set up an alert to receive emails when any jobs that match your requirements become available.

Employer Rewards and Benefits

- Future Flyers scheme, a hugely successful and nurturing development programme that is aimed at providing training and development opportunities to talented and hard-working individuals who want to build their career with us.
- Continuous professional development and offer bespoke technical training
- Part time and flexible shift patterns
- Sporting and social events
