MAYORAL
COMBINED
AUTHORITY

Our Building Futures programme provides essential digital qualifications for those aged 19 – 24 in the South Yorkshire area. These help to prepare learners for the world of work, while also giving them an insight into some of the most exciting and innovative career paths, such as in Games Design, Cybersecurity, Website Design and Computer Programming.

Building Futures will help you to:

- ◆ Gain support moving into higher level learning or employment
- ◆ Improve your interview skills and overall employability
- ◆ Achieve your personal and career goals with support from a dedicated keyworker
- ◆ Overcome any challenges with ongoing wellbeing support

Eligibility

Aged 19-24

Currently unemployed

Not in government-funded education

Resident within South Yorkshire
