

Sheaf Training's Supported Internship Programme

If you are aged 18-25, have an EHCP, and would like to start in the world of work, why not apply for our Supported Internship Programme?

What is a Supported Internship?

A Supported Internships is an education study programme for young people with who have an Education Health & Care Plan (EHCP) who want to move into employment and need extra support to do so. Simply put, they are a supportive and effective route from education to employment for those who are ready to make the leap into the exciting world of work.

How do we support you?

We get to know you and your career ambitions so we can find a work placement that suits your interests. We will provide a job coach to support you on your work placement if you need it. We also invite you to our training centre one day a week to teach you valuable work and employability skills by our experienced and supportive teaching staff

About Sheaf Training

Sheaf Training is a SEND vocational training centre in Sheffield . We have years of experience supporting young people to achieve thier potential in a supportive environment with experienced staff
