

# READY TO WORK

OPEN DAY

Tuesday 17 March 2026  
10am - 2pm

## WHAT IS READY TO WORK?

Designed specifically for individuals who are autistic or experience anxiety, Ready to Work is a supportive programme designed to help individuals:

- Build confidence
- Develop employability skills
- Prepare for further study or transition into employment

You'll receive small group support, personalised pathways and structured guidance.

This dedicated Open Day provides:

- Smaller group visits
- A quieter environment
- Structured sessions
- Time for one-to-one conversations
- Space to move at your own pace

*"Before I met Lisa, I was a very nervous person and wouldn't go out a lot. She helped me find courses suitable for me, that helped bring me out of my shell."*

## DYLAN'S STORY

After being referred to Northern College by Lisa at Berneslai Homes, Dylan was enrolled onto our Ready to Work course.

Dylan successfully completed the course and has since progressed onto a Bricklaying course.

## REAL SKILLS THROUGH REAL EXPERIENCE

Learners gain hands-on work experience through exciting projects such as our on-campus Bean & Berry Café.

This practical experience helps learners build confidence and understand a range of work experiences including:

- Planning and organising tasks
- Working as part of a team
- Managing responsibilities
- Understanding how a business operates
