

Level 2

Principles Of Team Leading

What is it?

Qualification Overview

This qualification provides the essential knowledge and practical skills needed to lead and support a team effectively. Learners will explore key areas including different leadership styles, team motivation, effective communication, managing performance and resolving workplace challenges. It also helps develop confidence, professionalism and an understanding of the responsibilities of a team leader. The qualification is ideal for anyone preparing to move into a supervisory role, develop within their current position or progress to further study in leadership and management.
